## **School Priorities**

This year Glenella School focussed on the following 4 goals.

1. School Literacy
2. School Numeracy
3. Mental Health
4. ESD

## **School Spirit**

This year, we have continued our tradition of holding school wide assemblies to share our successes and talk about things that were important to the overall wellness of the school.

Glenella school also hosted a Live Different presentation for the division. Students received the message to live their life to the fullest. We were encouraged to change ourselves and the world around us by embracing a lifestyle that cares for people.

## PARENT ADVISORY COMMITTEE COUNCIL

The Parent Advisory Committee Council has also began meeting on a regular basis at the school approximately every 6 weeks. We look forward to continued growth next year.

This year we have seen the addition of a school Beach Volleyball Court in our playground. We have also installed 2 benches and a picnic table on the school grounds for people to enjoy. This has been accomplished through the efforts of Parents Advisory Committee.

On our school grounds we have also had the addition of garden boxes. They were made possible through the grant that Jessica Klassen applied for from Beautiful Plains Credit Union and from community member donations.

The Parent Advisory Committee also hosted their first dance in June. The students ranged in ages from kindergarten to high school. A great time was had by all.

## **Athletics**

Glenella School was able to field teams in most of the major sports again this year. Special thanks to coaches Mr. Smith, Mr. Unger, Mrs. Pilatic, Miss Smith, Mr. Murray and Mr. Dmytriw. The school prides itself on our athletic accomplishments, and we thank the dedication of the coaches and players.

We had 3 students who qualified for Provincials in Track and Field. Congratulations to Kim Leonard, Jason Abstreiter and Jenna Scott. A huge thank you to Mrs. Abstreiter for chaperoning these students in Winnipeg for the three s at Provincials.

## **Departures/Arrivals**

Ms. Lemoine is leaving us this year after 3 years to work closer to home. We are sad to say goodbye and wish her well in her new endeavors. Mrs. Pilatic and Mrs. Sacharko are both leaving for a one-year maternity leave this year and we look forward to their return and wish them all the best next year. Ron Mitchler is also leaving his bus route this year.

We are very pleased to be welcoming three new teachers for next year. Jade Dillabaugh, Rheanna Jenson-Guenter and Amber McKenzie-Cochrane will be joining us. They are all recent graduates from Brandon University and bring with them an exuberance. Ms. Dillabaugh will be teaching Gr. 3 and 4, Ms. Jenson will be teaching Kindergarten and Ms. McKenzie-Cochrane will be teaching Gr. 8-12 English, Grade 12 Aboriginal Studies and Grade 11 History.

## **Principal's Final Thoughts**

It has been a great first year being Principal in Glenella School. I have enjoyed getting to know the families and the students. Both the Glenella School and community have been extremely welcoming and I have enjoyed being apart of it. I look forward to future years in this community.
